Summary: Isami s feelings about the birth of his daughter (Drabble).

Sleepless

It was their third night with the little baby sleeping between them.

Although it was late, both parents were still awake, seeking for sleep but were lost in their thoughts.

“I’m sorry.” She suddenly whispered “I was sure that it would be a boy.”

“Please don’t be. I’m so happy about our little girl.” he answered while watching their daughter lovingly.

“You need an heir...”

He hesitated, but only for a heartbeat.

“There’s still plenty of time for that. And...”

A part of him was relieved that it was a baby girl.

“And ?” She asked cautiously.

“I’ve still got Souji.”
